PREDICTS OUTBREAK IN OPEN LETTER TO CZAR.

ST. PETERSBURG, June 1.—Father Poyarski, an Orthodox priest of Voronezn, and a member of Parliament, in a violent open letter to the Emperor, nescribes the country as living over a volcano and declares that the Government's reply to the Lower House of Purliament proves that it utarly fails to comprehend the temper of the peasants.

He predicts that its refusal to meet the prople's wishes in regard to amnesty and the distribution of land, will result in a mass-movement among the peasants who in their blind fury will

peasants who in their blind fury will attack not only the landlords, but the Intelligentsia generally and treat the country to a reign of blood and fire, before which the world will stand appealed.

Monday Morning Weeter the country to a reign of blood and fire, before which the world will stand appealed.

Attacks Eiy and Experts.

Are painted in his experts of the gril against the defendant and I ask that she be remanded to the Tombs."

"Remanded," said the Judgs court attendable of the Eily, clarating that the Assistant the first evidence that should have been prosecution of the crime of the asis to the entrance of the Bridge of Signs. Her sister tried to catch her hand, but was told by a court attendant to go to the Tombs and visit her in the regular way. As she crossed the bridge she waved date hand at the waiting crowd below.

Since Mr. Jerome's effort to stop the trial by having the gril declared in the same there have been rumors that the gril which as he suffers developes he will go to the affidavits which was for the prosecution. The which have been from the same there have been rumors that the gril would be kept in the Tombs of a time. Then if the insanity from a time. Then if the insanit

Coffee Wrecks The Children

Dr. Elias G. Brown, the medical examiner of defective school children in the public schools of New York City, in his report to the City Supt. writes:

"After hereditary or congenital causes, improper diet is the greatest of the causes of malnutrition and nervousness. In considering nutrition I find one of the most noticeable evils to be the very large proportion of school children who drink tea and coffee.

"Both tea and coffee are, as we know, pure stimulants and contain an acid that is harmful.

"Many children come to school in the morning after a breakfast of stimulant (coffee or tea) and starch (white bread), and children very frequently have coffee or tea Sixth Inning.

Eighth Inning.
